Hi All!

As the legislative season takes off, part of our work will be to respond to bill text and its potential effects on equity. We've been asked to take a look at the following four proposed bills and to use the templates (one for each) to respond.

I'm sharing the templates with you (links to the whole reference and pdfs are contained in each template). **Please take some time to review at least 1 or 2 of these by Monday 12-18 and add some comments/feedback for the Leg Committee.** These templates will be VERY helpful both when people testify and when a district needs a quick overview and some talking points.

Also -- there's a theme with these four....it won't take you long to spot it!

Thanks,

Sydney

Hi All,

Are we still able to add feedback? I'm trying very hard to get to this as I know how important it is.

Also I will likely be late or not in attendance at the meeting today. I have to chair a meeting at 1 and may not be done in time.

I am being pulled into a hiring committee meeting this afternoon and I am not sure I will be out in time for the meeting this afternoon. I am happy to assist in any way I can moving forward of course, but am not sure if I will be present in time for the assignments or meeting itself. Apologies for this, but the HR director is sick and they need me to fill in on the role she is playing.

Please let me know if I can help with any "homework."

Michael

Good Morning All,

I hope you are doing well. I wanted to share a resource that was brought to my attention today. In Merrimack, we have been working with Dr. Kalise Warnum, a Cultural Proficiency Coach, and she has been great to work with. Today, she shared a new resource/journal that she created, and I wanted to share it with this group. She offered a group discount if we want to purchase one for the committee, or if you are interested in purchasing a copy. There is a short video explaining the journal at the link: [Journal | KW Diversity Co.](https://www.kwdiversityinc.com) ([kwdiversityinc.com](https://www.kwdiversityinc.com))

Have a great day!
